Sir:

The undersigned is hereby notifying the U.S. Patent and Trademark Office that the status of this application is being changed to a large entity. At the time of initial filing of the above-identified patent application, the Applicants' status was a small entity and therefore paid the small entity fee. Due to the recent assignment of rights in this application to Openwave Systems Inc., the Applicants' status is now a large entity. Therefore, we submit a large entity issue/publication fee of \$1,700.00.
